NOTE: We are retaining 1/3 semen interest in all of the bulls.
You will still have full possession and salvage value of the bull.

REGISTERED OPEN HEIFERS

LOT # 71 OUT

No other additional information is available.

COMMERCIAL OPEN HEIFERS

The commercial heifers come from the heart of our commercial herd. They were weaned in October, had two rounds of Bovi-Shield Gold 5, Pasturella vaccine, and 7-way blackleg vaccine, as well as were poured with Ivermectin. They and the registered heifers were all palpated on March 12 and determined to be open and ready to breed. All Woodbury bulls and heifers are tested BVD-PI Negative.

COMMERCIAL PAIRS

JONES FARMS

These 16 pairs were raised and bred alongside our own replacement females. The mothers have had their official childhood vaccination, two rounds of Bovi-Shield Gold 5, and have been poured with Cydectin.
