## COMMERCIAL OPEN HEIFERS

The commercial heifers come from the heart of our commercial herd. They were weaned in October, had two rounds of Bovi-Shield Gold 5 and 7-way blackleg vaccine and were poured with Ivermectin. They were all palpated on March 11 and determined to be open and ready to breed. All Woodbury bulls and heifers are tested BVD-PI Negative.

# COMMERCIAL PAIRS

## JONES FARMS

These 15 pairs were raised and bred alongside our own replacement females. The mothers have had their official childhood vaccination, two rounds of Bovi-Shield Gold 5, and have been poured with Cydectin.
